Target 2002-2003

The Yearbook Staff created this yearbook around the theme of the Willard Phoenix burning and rising, of rejuvenating itself. We hope that these pages rejuvenate your spirit and remind you of an amazing year.

Dedication

The Yearbook Staff would like to dedicate this yearbook to all Willard students and staff, past and present, without whom the yearbook would not be worth making. We especially would like to honor the memories of former Student Safety Officer, Mr. Saad "Grizz" Muhammad, and former student, Mr. Ronald Easiley. Both would have worked for peace during these challenging times.

PEACEFUL JUSTICE
REMEMBRANCE

A Message from the Principal

Willard Middle School provides a safe, nurturing, and academically focused program for our students. Our very dedicated and talented staff works together to create an academically rigorous program that excites students and promotes a love of learning to last a lifetime.

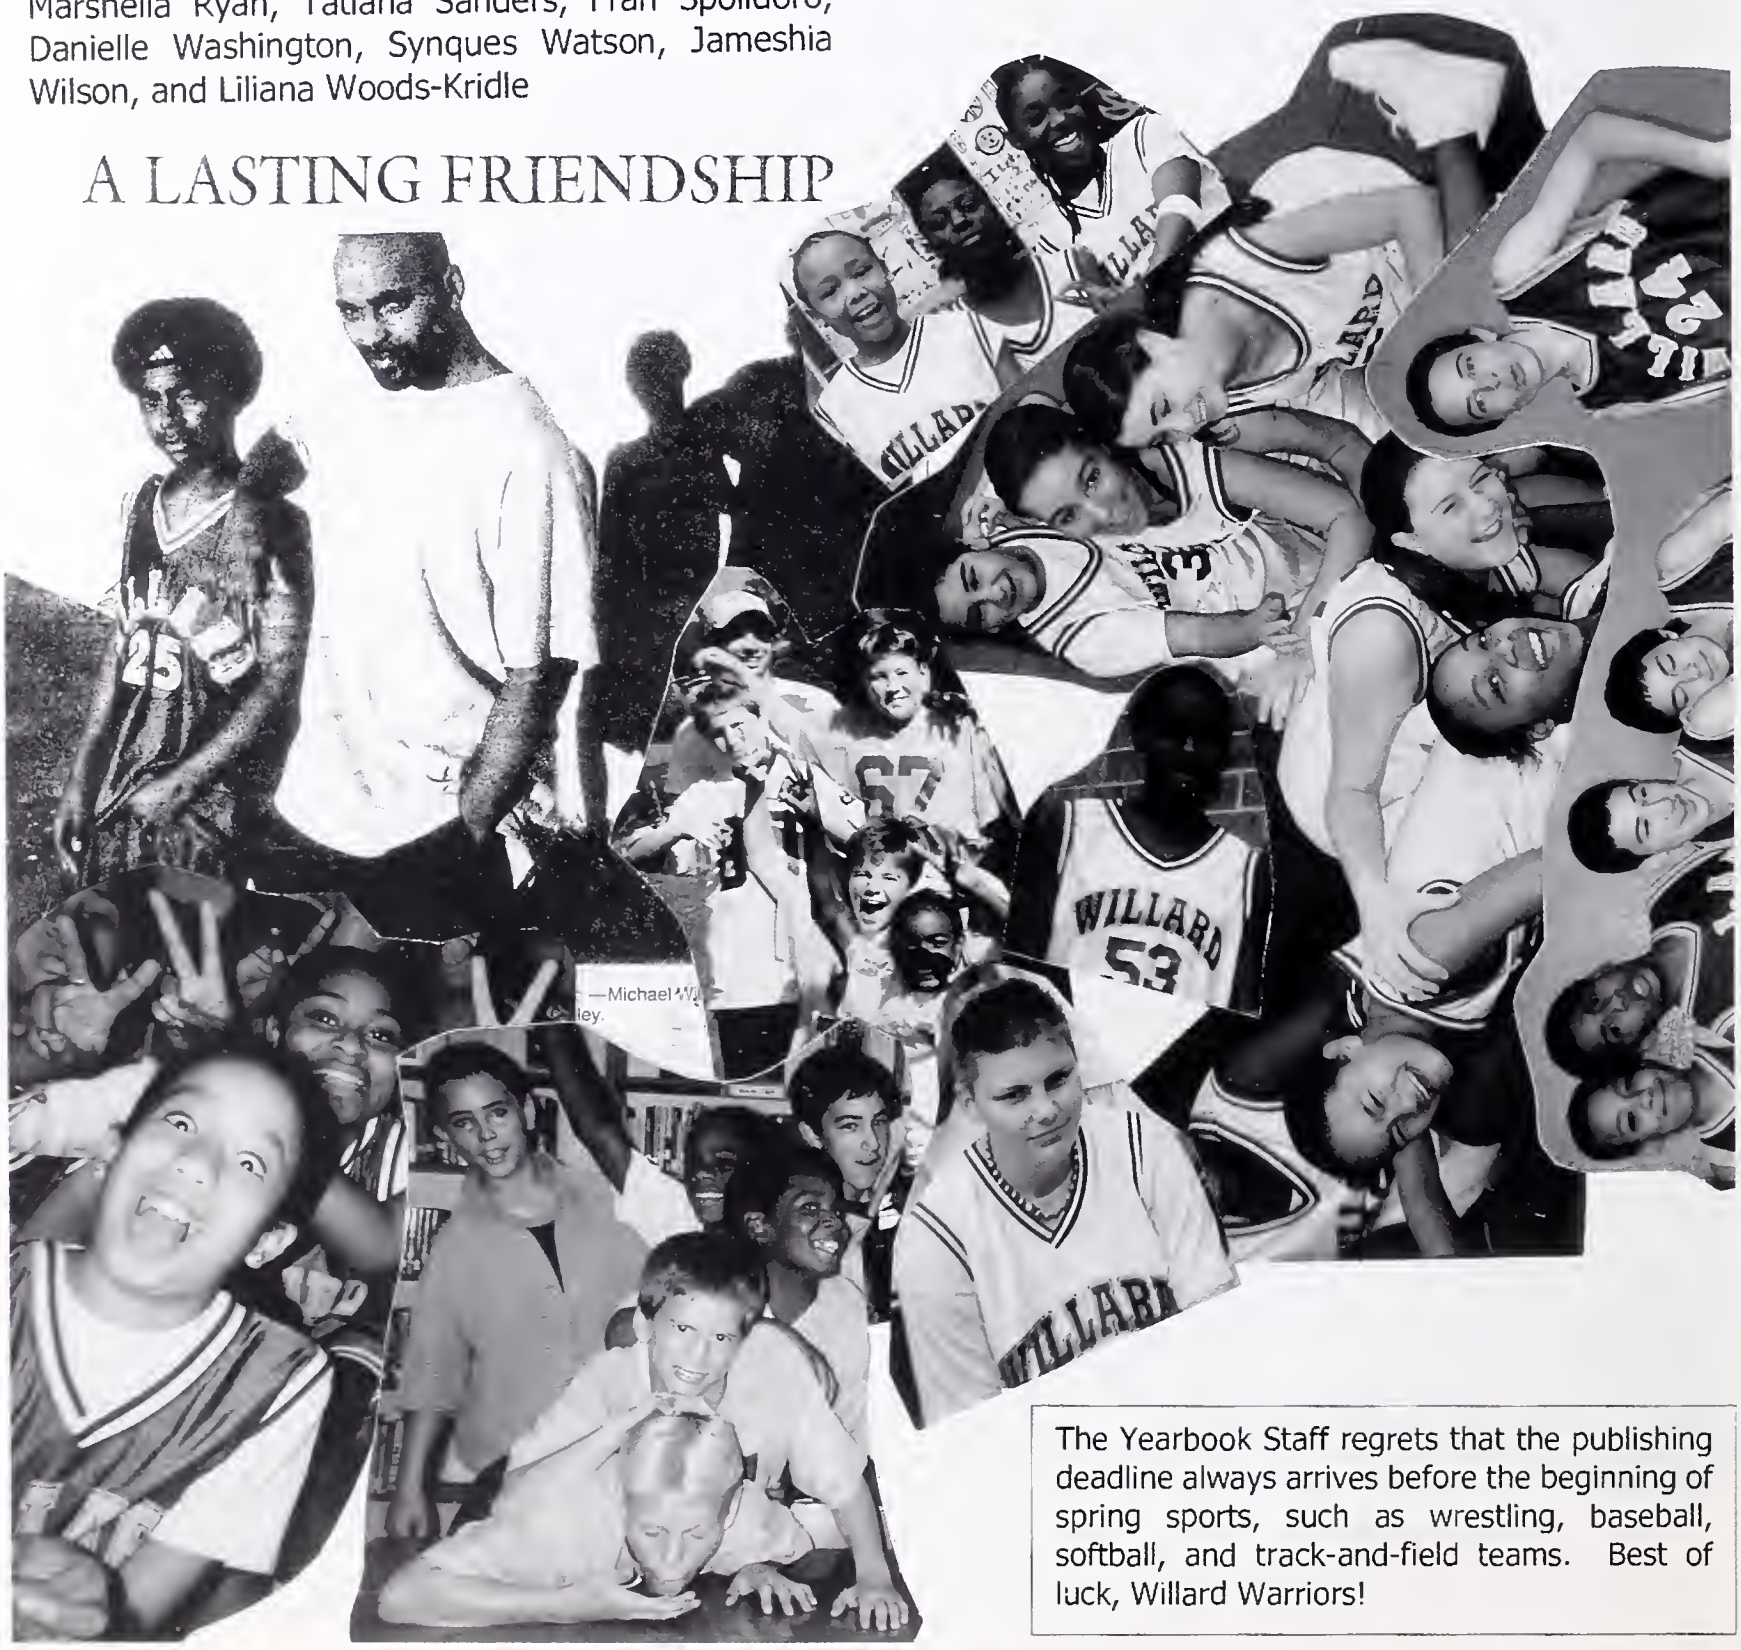
A LASTING FRIENDSHIP



The Yearbook Staff regrets that the publishing deadline always arrives before the beginning of spring sports, such as wrestling, baseball, softball, and track-and-field teams. Best of luck, Willard Warriors!

The blood that thrives
Two holes hidden in the dark
Unsatisfying death it marks
A view of insignificance
A world of distasteful art...
